- ✦ If you have to leave the Venue to go to public spaces, wear gloves or mittens, and keep them on at all times, especially inside public transport services.
- ✦ Avoid handshakes : but if you must, remember to consciously keep the hand away from your eyes, nose and mouth, even if you are itchy.
- ✦ Do not repeat your gloves. Change and wash them daily. And never put on damp gloves.
- ✦ Report Immediately, incase feeling sick.
- ✦ If someone sneezes or coughs in your presence, step back immediately. Avoid hugs.
- ✦ Replace old towels with clean, washed ones. And do not share your towel with anyone.
- ✦ Prefer using Tissues, and dispose off once used.
- ✦ Sanitize your hands frequently.
